

# Varsity to go to new division

By LEN TODD

University defeated Redbank three goals to two in the third division soccer championship play-off at the Brisbane Cricket Ground today.

University will enter the second division next season.

During the first half University centre, S. Bains, was injured and taken to hospital with a dislocated elbow.

Play opened briskly, both side attacking in turn, and after 10 minutes play Tommy Guivara (University) scored.

A partial clearance by Redbank came to him 25 yards out.

Both teams had several good opportunities, but these were spoiled in the main by some poor shooting until 10 minutes before half-time when Selwyn Chen headed the ball into the net to make University's tally 2-0.

The half-time score was University 2, Redbank nil.

## Made no mistake

Redbank started determinedly in the second half and University defence had a torrid time, but was equal to the task until half through the second half when N. Dann reduced the lead with a good goal.

Two minutes before full time penalty for hands was awarded to Redbank and G. Mahoney made no mistake and levelled.

Straight from the kick-off University attacked and Redbank right-back N. Pedley had the misfortune to turn the ball into his own goal.
